

## How is KTF Funded?

- **Corporate Sponsors**

KTF looks to businesses in Cabot and surrounding areas who are interested in giving back to their community by supporting hometown families in the fight of their lives. Please consider becoming a KTF Corporate Sponsor. Sponsorships are recognized on the KTF website.

- **Individual Contributions**

Other support comes from private donations. We encourage your prayerful consideration to make this ministry part of your monthly giving plan.

- **Honorariums**

What better way to acknowledge a special occasion than by expressing your gratitude for God's gift of life in honor of a special child affected by cancer. The honoree's family receives acknowledgment of your donation – other children with cancer receive the benefits of your generosity.

- **Memorials**

Comfort is extended to grieving families through donations made in memory of their lost loved one. The family receives acknowledgement of your gift and other children with cancer are encouraged in their battle through the memory of those who fought before them.

- **Fundraising Projects**

KTF periodically sponsors fundraising projects for the benefit of the general ministry fund or specific needs of a patient.

# What Is KTF

## Mission Statement

The Keep the Faith Foundation for Kids with Cancer (KTF) has a twofold mission. First is to share the love and compassion of Jesus Christ with families who have children suffering with cancer. Second is to provide assistance for the financial burdens resulting from the family's care of their child.

## Who does KTF support?

The family of any child who has been diagnosed with cancer.

Patients may be submitted to the ministry by a friend or loved one burdened about their illness. All it takes is providing the family and child's name, mailing address, e-mail (if applicable) and brief details about their illness and course of treatment. In addition, a contact person's name and means of communication is helpful to keep up with the patient's progress. A form is available on the back of this brochure or information can be submitted by:

calling 501-843-5291 or

e-mailing [elaine@faithcabot.org](mailto:elaine@faithcabot.org)

## What does KTF do?

- **Monogrammed Blankets** – The family is informed about KTF through a package mailed to them from the ministry. It includes a monogrammed blanket for the child with his or her name and a scripture reference. An introductory letter tells the family who submitted their name to the ministry and states, "It is our hope the blanket will not only provide warmth, but will also remind you we are praying for you."
- **KTF Bible** – The family also receives a copy of God's Word from KTF encouraging them to deepen their faith and seek comfort and peace through scripture as they spend endless hours at hospitals, treatment centers or confined to the home.
- **Prayer** – Patient Families are placed on the KTF Prayer List included on our website [kft.faithcabot.org](http://kft.faithcabot.org) to initiate prayer support.
- **KTF Prayer Group** – The KTF Prayer Group meets weekly to pray for the specific needs of families in the ministry. This is why a contact person is so important — to provide the ministry with updated information about the patient's needs and progress.

## KTF Financial Assistance Program

Any individual may submit a request for financial assistance for a KTF Patient Family as long as they are able to supply all pertinent information for the application process. A member of the KTF Board of Directors or the Ministry Director will complete a request form and ask for supporting documentation (i.e. copies of bills, etc.) to include with the request.

The KTF Board of Directors reviews and approves all requests for financial assistance. Upon approval the Board issues a distribution order to the Ministry Director who then administers payment.

For additional information about the KTF Financial Assistance Program, please contact any KTF Board Member or Elaine Moran, the Ministry Director.
